ORCHARD PARK, NEW YORK 14127

## SAFE ENVIRONMENT LESSON OPT OUT FORM

### **SIGN ONLY IF YOU DO NOT WANT YOUR CHILD TO PARTICIPATE**

The Diocese of Buffalo works to comply with all the directives of the *Charter for the Protection of Children and Young People*. These directives were implemented by the U.S. Conference of Catholic Bishops in 2002. In addition to training all priests, religious, adults, staff, and volunteers that work with children, the Diocese is required to instruct children in sexual abuse awareness.

The training is a way for your child to learn to recognize and respond appropriately to issues such as social tricks used by predators, internet safety, and healthy vs. abusive relationships. Since Safe Environment Education is also mandated by the State of New York, most children have already been trained and viewed videos covering these topics in their schools. The presentation of this material within the context of a child's faith formation can provide a needed reinforcement. However, if you do not wish for your child/children to participate, please sign the release below. Your child can be excused or an alternate educational opportunity will be provided.

I request that my child/children \_\_\_\_\_  
be excused from attending the Safe Environment discussion offered at Nativity of Our Lord Parish. I understand that it is my right and responsibility as a parent under guidelines of the Catholic Church to do any such instruction myself.
