Music and Lyrics

Lord I Need You

Lord, I come, I confess
Bowing here I find my rest
Without You I fall apart
You're the One that guides my heart

(Chorus)

Lord, I need You, oh, I need You
Every hour I need You
My one defense, my righteousness
Oh God, how I need You

Where sin runs deep Your grace is more
Where grace is found is where You are
Where You are, Lord, I am free

Holiness is Christ in me

(Chorus)

So teach my song to rise to You
When temptation comes my way
When I cannot stand I'll fall on You
Jesus, You're my hope and stay

(Chorus)

You're my one defense, my righteousness
Oh God, how I need You
My one defense, my righteousness
Oh God, how I need You

Our God

Water You turned into wine
Opened the eyes of the blind
There's no one like you
None like you

Into the darkness You shine
Out of the ashes we rise
There's No one like you
None like you

Our God is greater, our God is stronger
God You are higher than any other
Our God is Healer, awesome in power
Our God, Our God
Into the darkness you shining

Out of the ashes we Rise
No one like you

None like you

Our God is greater, our God is stronger
God You are higher than any other
Our God is Healer, awesome in power
Our God, Our God

Our God is greater, our God is stronger
God You are higher than any other
Our God is Healer, awesome in power
Our God, Our God

And if Our God is for us, then who could ever
stop us?

And if our God is with us, then what can stand
against?

And if Our God is for us, then who could ever
stop us?

And if our God is with us, then what can stand
against?

Then what can stand against?

Our God is greater, our God is stronger

God You are higher than any other
Our God is Healer, awesome in power
Our God, Our God
Our God is greater, our God is stronger
God You are higher than any other
Our God is Healer, awesome in power
Our God, Our God

Reckless Love

Before I spoke a word
You were sing over me
You have been so, so good to me
Before I took a breath
You breathed your life in me
You have been so, so kind to me
The overwhelming, never-ending
Reckless love of God
It chases me down
Fight 'til I'm found
Leaves the ninety-nine
I couldn't earn it
I don't deserve it
Still you give yourself away
When I was your foe, still your love fought for me
You have been so, so good to me
When I felt no worth
You paid it all for me
You have been so, so kind to me
The overwhelming, never-ending
Reckless love of God

And if Our God is for us, then who could ever stop us?
And if our God is with us, then what can stand against?
And if Our God is for us, then who can ever stop us?
And if our God is with us, then what can stand against?
Then what can stand against?
Then what can stand against?

It chases me down
Fight 'til I'm found
Leaves the ninety-nine
The overwhelming, never-ending
Reckless love of God
There's no shadow you won't light up
Mountain you won't climb up
Coming after me
There's no wall you won't kick down
No lie you won't tear down
Coming after me
There's no shadow you won't light up
Mountain you won't climb up
Coming after me
There's no wall you won't kick down
No lie you won't tear down
Coming after me
The overwhelming, never-ending
Reckless love of God
It chases me down
Fight 'til I'm found
Leaves the ninety-nine
The overwhelming, never-ending
Reckless love of God

No Longer a Slave

You unravel me
With a melody
You surround me with a song
Of deliverance
From my enemies
'Til all my fears are gone
I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God
From my mother's womb
You have chosen me
Love has called my name
I've been born again
Into Your family
Your blood flows through my veins
I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear

Great are You, Lord

HYou give life, You are love
You bring light to the darkness
You give hope, You restore
Every heart that is broken

I am a child of God
I am surrounded
By the arms of the Father
I am surrounded
By songs of deliverance
We've been be liberated
From our bondage
We're the sons and the daughters
Let us sing our freedom
Ooh, oooh (4x)
You split the sea
So I could walk right through it
My fears are drowned in perfect love
You rescued me
So I could stand and say
I am a child of God
You split the sea
So I could walk right through it
My fears are drowned in perfect love
You rescued me
So I could stand and say
I am a child of God
I am a child of God
Yes, I am a child of God

And great are You, Lord
It's Your breath in our lungs
So we pour out our praise
We pour out our praise

It's Your breath in our lungs
So we pour out our praise to You only
You give life, You are love
You bring light to the darkness
You give hope, You restore (You restore)
Every heart that is broken
Great are You, Lord
It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only
It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only
And all the earth will shout Your praise

Beautiful Things

All this pain
I wonder if I'll ever find my way
I wonder if my life could really change, at all
All this earth
Could all that is lost ever be found?
Could a garden come out from this ground, at all?
You make beautiful things
You make beautiful things out of the dust
You make beautiful things

Our hearts will cry, these bones will sing
Great are You, Lord
And all the earth will shout Your praise
Our hearts will cry, these bones will sing
Great are You, Lord
And all the earth will shout Your praise
Our hearts will cry, these bones will sing
Great are You, Lord
It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only
It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only

You make beautiful things out of us
All around,
Hope is springing up from this old ground
Out of chaos life is being found, in you
You make beautiful things
You make beautiful things out of the dust
You make beautiful things
You make beautiful things out of us
Oh, you make beautiful things
You make beautiful things out of the dust

You make beautiful things
You make beautiful things out of us
You make me new,
You are making me new
You make me new,
You are making me new
(Making me new)
You make beautiful things
You make beautiful things out of the dust

You make beautiful things
You make beautiful things out of us
Oh, you make beautiful things
You make beautiful things out of the dust
You make beautiful things
You make beautiful things out of us
You make me new,
You are making me new
You make me new,
You are making me new

Holy God We Praise Thy Name

Holy God, we praise Thy Name;
Lord of all, we bow before Thee!
All on earth Thy scepter claim,
All in Heaven above adore Thee;
Infinite Thy vast domain,
Everlasting is Thy reign.

Hark! the loud celestial hymn
Angel choirs above are raising,
Cherubim and seraphim,
In unceasing chorus praising;
Fill the heavens with sweet accord:
Holy, holy, holy, Lord.
